Tutorial TDS

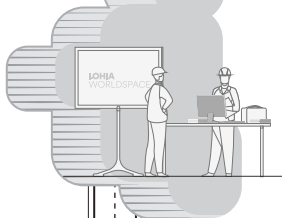

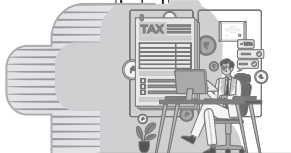

WHAT IS TDS ON IMMOVABLE PROPERTY?

As per the income tax act, TDS of 1% is to be paid by the buyer of an immovable property directly to the government. This is applicable for all transactions with value exceeding INR 50 lakh.

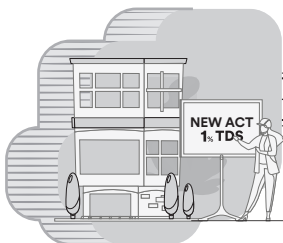

WHAT HAS CHANGED IN 1% TDS?

Till now, this TDS could be paid by the customer directly or by company on behalf of the customer. Till now, we have given customers (at select projects) the option of either paying TDS themselves or authorizing company to pay on their behalf. Going forward, all customers will have to make this TDS payment themselves by logging into the income tax payment website (incometax.gov.in/iec/foportal/).

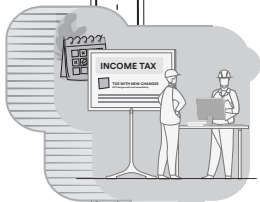

WHY IS THIS CHANGE BEING ENFORCED?

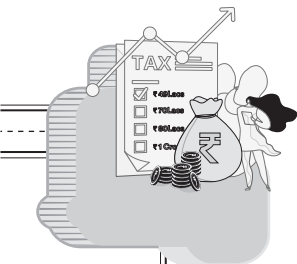

As per the income tax act, TDS of 1% is to be paid by the buyer of an immovable property directly to the government. This is applicable for all transactions with value exceeding INR 50 lakh.

FROM WHAT DATE IS THIS CHANGE APPLICABLE?

This is applicable immediately. Going forward please deduct the applicable TDS amount from any payment you make to company. Make payment of this TDS amount on the income tax payment website (incometax.gov.in/iec/foportal/). and share form 16B with your company's representative.

IS THIS APPLICABLE FOR ALL CUSTOMERS?

Since the 1% TDS payment is applicable only for property value exceeding INR 50 lakh, this change does not affect any company customer whose property value is up to INR 50 lakh. Also, customers who had opted to pay TDS themselves should continue to do so going forward as well.

WHAT IS THE PROCESS TO MAKE TDS PAYMENT?

Please refer to the attached document for the detailed process.

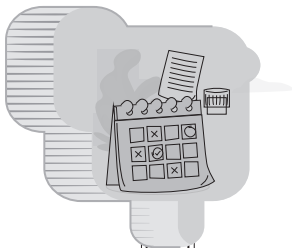

WHAT IS THE VALUE OF TDS AMOUNT?

TDS is 1% of the amount paid to company. The income tax website will auto calculate the applicable TDS amount based on the payment amount you have made to company.

WHEN IS TDS TO BE PAID?

TDS payment should be completed within seven days from the end of the month in which the deduction is made. For example, if you make a payment to company in the month of March, you should make the TDS payment latest by 7th April.

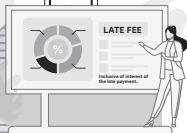

WHAT ARE THE IMPLICATIONS OF NON / LATE FILING OF TDS?

The buyer will be liable to pay late fee and / or interest as per the income tax act. We request you to make all TDS payments promptly well within the last date.
